

TACHOGRAPH CHARTS & ACCESSORIES

When you need replacement tachograph charts, Canadian Automotive Instruments Ltd. is the place to turn. As their Canadian distributor, we offer a wide range of replacement charts as well as a full line of accessories. Chartwell charts are designed to operate in Tach-Man, Veeder-Root, Argo, Kienzle, VDO and Sangamo tachographs and meet the stringent EC test requirements. These top quality discs provide a superior trace for easier analysis.

The following types of charts/discs and accessories are available for you to order...
